

### NOW HIRING – MANUAL AND CNC MACHINISTS

**Concor Tool & Machine**, located in beautiful Hayward, WI near the Chippewa Flowage, is looking for motivated, individuals to fill positions on our day and night shifts. For over 38 years Concor has been manufacturing screw and barrel components for the plastics industry.

Qualified team members:

Will be proficient in operating manual and/or CNC lathes, mills and hones.  
Must have blueprint reading skills to determine relevant information for manual lathe and milling operations.  
Must be able to maintain tolerance and finishes to engineering and manufacturing specifications.  
Must be proficient at reading precision measuring instruments, such as, micrometers, calipers, and dial indicators.  
Must have knowledge of cutting tools and inserts for turning, drilling, boring, threading, and milling.  
Will comply with all quality and safety standards and rules.

Rewards: Competitive hourly pay based on experience. Minimum of 5 hours overtime per week with additional overtime hours frequently available.

Benefits include:

Health, dental, life and short term disability insurance  
401K with employer match  
Profit sharing  
Aflac supplemental insurance  
Paid vacation and holidays  
Payday is every Thursday with direct deposit available  
Length of service awards  
No interest payment plans for tool purchases, with company discounts passed along to employees

Fun Benefits include:

Free Coffee  
Spontaneous Pizza Lunches  
Company golf outing and cookout

These are permanent full time positions in a clean, well-lit shop.

***Although experience is preferred, we are always willing to train the right individual.***
